Synopsis română: Narcis are mari probleme cu doi camatari in urma unei sume nereturnate de 2.000 de euro. Are o ora la dispozitie sa aduca banii iar singura solutie rezonabila este sa se “imprumute” de la mama sa soacra fara ca aceasta sa stie.

Synopsis English:

Narcis is in a lot of trouble with some gangsters over a 2.000 euro debt. He has one hour to come up with the money and the only reasonable solution is to “borrow” the money from his mother-in-law without her knowing so.

Director of photography's Bio / Filmography: My name is Vlad-Cristian Lapadatescu. I was born on 20th December 1994 in Bucharest, Romania and I am living here ever since. My father introduced me to photography when I was about 12, and i've been passionate about creating visual stories ever since. I studied a lot on my own in highschool, doing all kinds of photographic experiments. During this period I found myself watching a lot of movies, seing beautiful scenes, understanding the power that film has when it comes to visual storytelling and decided to go to film school. Nowadays I am studying cinematography at UNATC in Romania, discovering new ways to express myself.
